## ESTORIL SOL DIGITAL

The bonuses are sums of money which are credited to your player account, under certain conditions, and which need to be converted to real money by using them to as stake for the games of chance or bets offered on the site, in accordance with the indicated conversion factor (ref: definition of “playthrough” in the T&C).

### **Conditions to receive bonuses**

By registering in our website and accepting our terms and conditions the player is giving his consent for his personal data to be collected and processed. The player also chooses to receive bonus on his player account and also to receive information regarding the promotional bonuses, when and whenever they fulfill the conditions and assumptions for their attribution.

*ALL deposit offers imply a minimum deposit amount equal to or greater than €10.*

In case the player wants to stop receiving information about the bonuses or does not pretend to benefit from bonus offers, the player will have at his disposal, in each offer, a link where he/she can express such option, no longer receiving such information as well as bonus offers.

The player may revoke this option by writing his will and intention to receive such information again. This request should be written, dated, signed and sent to the Customer Service by using the following email address: [support@estorilsoldigital.com](mailto:support@estorilsoldigital.com).

The bonuses are offered by ESTORIL SOL DIGITAL in order to promote the site [www.estorilsolcasinos.pt](http://www.estorilsolcasinos.pt) , the games, the bets or a related event.

### **To enjoy the bonuses, the player must:**

- own a validated ESTORIL SOL DIGITAL player account;
- not be a bonus abuser (see bonus abuse);
- accept the terms and conditions of ESTORIL SOL DIGITAL as well as the regulations related to the current bonuses;
- provide correct and up-to-date personal data.

If a player does not respect the conditions mentioned above, his account will be blocked and his bonuses will be cancelled.

There are several types of bonuses of which the rules are available on the site when these bonuses are issued.

The playthrough, expressed as a number, is the number of times a player must play and/or wager the amount of active bonuses in his account in order to convert it into real money which can be withdrawn.

The most common bonus is a deposit bonus.

**When making a deposit, in the event that you have an offer available, you are given 3 options to choose from for bonuses:**

- **Welcome offer! – Choose how much you want to deposit on ESC Online and we double it!**

For example, if you deposit 20€ on your account, we give you extra 20€ to play, up to 250€!

The value of the playthrough that needs to be achieved depends on the type of bet or the type of game played.

Void bets don't count for Playthrough purposes.

The player can only have active in his account one of the offers, PT30x, PT12x or PT1x.

Players with the PT30x/PT12x option active, who wish to receive the PT1x option offer, will be given the possibility of either completing the ongoing PT30x/PT12x playthrough in advance or cancelling it.

In the event of opting for the previous conclusion of the bonus playthrough taking place in the PT30x/PT12x option, it will be up to the player to verify the time requirements stipulated for each campaign, not exceeding them, to have access to the PT1x offer.

- **Optional Welcome Offer! Choose how much you want to deposit on ESC Online and you will get 10€ with a playthrough 1x.**

Make a deposit and receive 10€ bonus offer with 1x playthrough.

The player can only have active in his account one of the offers, PT30x, PT12x or PT1x.

Players with the PT1x/PT12x option active, who wish to receive the PT30x option offer, will be given the possibility of either completing the ongoing PT1x/PT12x playthrough in advance or cancelling it.

In the event of opting for the previous conclusion of the bonus playthrough taking place in the PT1x/PT12x option, it will be up to the player to verify the time requirements stipulated for each campaign, not exceeding them, in order to have access to the PT30x offer.

With a PT1x/PT12x bonus running, in the event that you receive bonuses whose credits are automatic, the entire bonus will only be converted into real money, when the entire playthrough of all active bonuses on the account is completed.

- **Don't want to enjoy a bonus with this deposit.**

### **How to refuse a Bonus**

The player can opt out of receiving bonuses by checking the box "I don't want to use bonuses" on the page "Account> Settings".

For specific deposit bonus offers, the player has the possibility to select, at the time of deposit, the option "Do not receive any bonus".

### **How to cancel a Bonus**

The player can cancel all active bonus by checking the box "DELETE MY BONUS MONEY" on the page "Account>Bonus".

When clicking the button "DELETE MY BONUS MONEY" the following message will appear: "If you select "DELETE", all active bonuses in your account will be automatically cancelled, including your bonus winnings as well as bonus amounts placed on open bets.

### **Debit order when placing a bet**

When a player enters a casino game or places a bet, it will be used the proportional amount of real money and bonus money, in the player's account balance.

For example:

If the player has €100 balance in his account, consisting of €60 real money and €40 bonus money, when the player places a bet of €10, this bet amount will consist of €6 real money and €4 bonus money.

### **Earnings generated with an account that has bonus available**

The bonus, credit to a player after his acceptance of promotions, only can be used for placing bets and are not withdrawable. The earnings of winnings bets are credit to the

player account. When a player's account contains bonus, all the winnings achieved, can only be withdrawable after the playthrough requirements, for each game, is fulfilled.

#### **Withdraw of winnings when the account has bonus available**

The bonus and winnings in bonus can be withdrawable when the Playthrough of all active starting bonuses on Player's account is reached.

#### **What happens to the bonus in case of a withdrawal request is made with bonus available**

Any withdrawal request will generate the loss of the bonus and winnings on the player's account or placed in betting tickets, that are object of playthrough.

The payment of winnings, that have been achieved by simultaneous use of player's account balance and assigned bonuses, will be made in proportion to the amount of real money and amount of bonus money, existing in the account balance of the player.

#### **What happens to the bonus in case of starting a Game Pause, or Self-Exclusion**

Any start of a Game Pause, or Self-Exclusion, has, as a necessary consequence, the loss of all existing bonuses in the player account and the respective prizes, subject to the same playthrough conditions.

#### **Use restriction for Bonuses**

Players' bonuses are personal and cannot be shared with any other player or thirdparty person. It is not allowed to share the bonus between players.

Bonuses may be subject to an expiration date, or time limit for use. At the end of this period, they will automatically be removed from the Player Account, not giving rise to any right to compensation or compensation to the Player.

ESTORIL SOL DIGITAL, at its sole discretion, can modify the conditions of each bonus and withdraw at any moment and without justification, a bonus, a promotion or a special offer. ESTORIL SOL DIGITAL reserves the right to offer or withdraw specific bonuses or offers depending on the country / place you are located and / or country of residence.

#### **Bonus abuse**

ESTORIL SOL DIGITAL may refuse any withdrawal and/or cancel all the winnings if it turns out that the player engages in practices which conflict with these bonus regulations.

In particular, 'irregular gaming' or 'bonus abuse' occurs when:

- a player withdraws money which he deposited in order to obtain a bonus to only play with the bonus credit offered by ESTORIL SOL DIGITAL
- a player makes a deposit with the sole objective of claiming a bonus without having the intention to play.
- a player repeatedly abuses the bonuses or promotions offered by ESTORIL SOL DIGITAL (or promotions of one of its partners) by only depositing a minimum amount in order to be able to play with the bonuses.
- the creation of several games accounts in order to benefit more than once from the same promotional offers.
- creating or using multiple accounts from the same computer or IP address in order to benefit more than once from the same promotional offers.

This list is not exhaustive.

From the moment ESTORIL SOL DIGITAL qualifies a player as being a "bonus abuser", that player will no longer benefit from any promotional bonus.

ESTORIL SOL DIGITAL may as well suspend the player account qualified as a "bonus abuser", meaning the player will be prohibited from betting or making deposits.

#### **Terms and conditions with regards to the FREEBETS**

A Freebet is a fictitious stake which allows players to get a win in bonus money (subject to playthrough bonus of PT30).

A Freebet is played in one time on a live or prematch single or multi bet.

A Freebet has a lifespan of 7 days. If it's not used by then, the bet is lost.

If a bet made with a Freebet is cancelled, the bet is reimbursed with an equivalent Freebet.

Bets placed with Freebets will not count for bonus playthrough.

A Freebet cannot be used to place a bet pertaining to another promotional offer.

Example: a Freebet of €10 placed with a quote of 2,5 yields a win in bonus money of €25 if the player wins his bet.

A Freebet may be subject to an expiration date, or time limit for use. At the end of this period, it will automatically be removed from the Player Account, not giving rise to any right to compensation or compensation to the Player.
