## 9.3 Bets

### 9.3.1. Definitions

A Single/Multiple bet is the choice of one or more results, within multiple possible outcomes in a sports event.

The Betting Slip contains all the selected bets registered by the player with one or more possible outcomes.

A single bet contains only one selection, which must be a winning one, in order for your bet to win. The possible returns are calculated by multiplying the value of your bet by the odd available.

A multiple bet contains 2 or more different selections, and all must be winners in order for this betting slip to be a winning one. If a single outcome is lost, the entire betting slip is considered lost. The total odd of the multi-bet is the result of the multiplication of the odds values available in the betting slip for each of the selected events. The potential returns is the result of the total odd multiplied for the bet made.

Example: If a Player bets 5 euros that Porto will beat Benfica (odds=1,5), and that Sporting will beat Braga (odds=2). The final odds will be 3 ( $1,5 \times 2 = 3$ ) and, if Porto and Sporting both win, the total winnings will be 15 Euros ( $5 \text{ euros} \times (1,5 \times 2)$ ).

If Benfica wins and Sporting draw, this is a losing bet.

If one of the selected bets from the multi bet slip is cancelled, the winnings are calculated based on the remaining odds, if all are won.

### 9.3.2 Betting Slip Registration

A placed bet will only be valid after its acceptance by the system of ESTORIL SOL DIGITAL. Each valid bet will generate a reference and the bet amount will be immediately debited from the player's account. Bets will not be valid if there are not enough funds in the Player account.

It is the customer's responsibility to ensure that the details of their bets are correct. Once the bets have been placed, they cannot be canceled by the customer.

The only accepted currency to place bets on ESTORIL SOL DIGITAL is Euro.

All bet selections are subject to limits set by ESTORIL SOL DIGITAL.

Bets will be settled, based on the official final results of the event(s), as soon as possible, as a rule up to one hour after the end of the event(s), being any winnings credited to the Player's account.

### 9.3.3 Error Correction

All odds are subject to variation and only become permanent when a bet is placed.

ESTORIL SOL DIGITAL reserves the right at any time to cancel bets placed on the basis of obvious errors. Either incorrect participants, incorrect leagues or incorrect result types with equivocal nomenclature.

No player can make any claim for damages from ESTORIL SOL DIGITAL as a result of such errors.

### 9.3.4 Bet Limits

The maximum and minimum amount authorized for all sports bets is set by ESTORIL SOL DIGITAL, which reserves the right to change it without prior notice. In addition, ESTORIL SOL DIGITAL also reserves the right at any time to impose limits on matches, events or markets.

### 9.3.5 Late bets

Pre-match bets are not accepted after the start, or bets the result of which is already known at the time the bet is placed

### 9.3.6 Return

Whenever a single bet is void, the bet amount will be refunded to the Player, with no right to any winnings.

Whenever, in a multiple bet, it is verified that only in relation to some event (s) the bet must be canceled, with the remaining selections remaining valid, the total odds will be modified taking into account the cancellation of the selection in specific.

### 9.3.7 Suspension of an Event

An event will be deemed to have been suspended if interrupted earlier than the minimum time set for the competition to which it belongs. If the event is permanently suspended, it will be deemed to have been canceled.

Single bets placed on the canceled event will be refunded.

Multiple bets, including the canceled event, remain valid and the corresponding winnings will be calculated by multiplying the odds of the remaining events, excluding the canceled event.

### 9.3.8 Changes in the beginning of the Event

If the start time of an event is changed, ESTORIL SOL DIGITAL reserves the right to void bets on that event, unless otherwise stated in the [Betting Rules](#).

#### 9.3.9 Bets Results

ESTORIL SOL DIGITAL will check the results of an event based on the official final results announced at the end of the competition. Bets will be settled based on the results published on the ESTORIL SOL DIGITAL site on "Results".

Any complaints regarding the accuracy of results shown on the websites of ESTORIL SOL DIGITAL, should be based on official results (in particular, the results shown on the websites of official agencies responsible for the event).

During the broadcast of live events, the results considered valid will be those immediately announced at the end of the event / competition. Any changes, subsequent to these results, will be disregarded to determine the winning bets.

If an event / tournament is suspended, this suspension will not affect settled bets for previously determined markets.

If a game is definitely considered unfinished, ESTORIL SOL DIGITAL reserves the right to cancel all bets placed on this event, unless otherwise noted in the [Betting Rules](#).

Unless stated otherwise in the [Betting Rules](#), the result announced on the date of a match is what will be taken into account to determine the winning bets.

Any subsequent changes to the result by the official or disciplinary authorities will not be considered to determine the winner of the bets.

#### 9.3.10 Collusion and Unions

Players must place their bets individually. If there is evidence of a set of bets placed by a Player or group of Players, that results in undue profits, they may be held responsible to the competent authorities for the purpose.

#### 9.3.11 Fraudulent Competition

If there are any suspect of fraud, match-fixing or other irregularities that may compromise the integrity of a bet, after permission of SRIJ, the event in question will be suspended from the list of events and any unresolved bets on this event will be void.

#### 9.3.12 Bet cancellation

ESTORIL SOL DIGITAL reserves the right, at its discretion, to declare a bet totally or partially canceled in the following situations:

INCORRECT PLAYER OR TEAM NAMES – Bets can be cancelled if at least one of the player/team names is wrongly displayed on the website, at the point of being impossible to correctly identify it or easily confuse it with another player/team.

INCORRECT LEAGUES – Bets can be cancelled if the league/competition to which the event belongs is wrongly displayed on the website, at the point of being impossible to correctly identify the league/competition or easily confuse it with another league/competition.

INCORRECT OUTCOME – Bets can be cancelled if the outcome is wrongly displayed on the website, at the point of being impossible to correctly identify it or easily confuse it with another outcome.

MATCH/RESULTS FIXING – Bets can be cancelled if there are suspicions of a lack of integrity or suitability of the organiser of competitions or sporting events, as long as they are still unresolved and SRIJ has granted prior authorisation.

LATE BETS – Bets can be cancelled if the bet was placed after the result has been known and it is still unresolved.

#### 9.3.13 Betting Rules

Any additional information or rules about bets, related to a specific type of sport, will be summarized in the [Betting Rules](#).

In the event of a contradiction between these general betting provisions and the [Betting Rules](#), the later shall prevail.

#### 9.3.14 Bet Particularities

In case of "odd even number" bets regardless of the sport or the stake, if the result is "0", the result of the bet is considered an even number.

#### 9.3.15. General Conditions of "Free Bets"

Access the terms and conditions regarding free bets [HERE](#).

#### 9.3.16. «Opti-Odds»

«Optimal Odds» is a totally new concept on World Betting Market and rewards Players by increasing odds each time they add selections in their Betting Slips. The higher the number of selections added to your Betting Slip, the greater your potential earnings.

Each time a player adds selection in its Betting Slip, the original odd of each selection is multiplied by a coefficient (Called "Opti-Odds") which varies according to number of selections. In the Betting Slip, the player can see directly the evolution of the original odds.

Note: Opti-odds are only applicable to odds equal to or higher than 1.40.

When not applicable, that information will appear on the Betting Slip.

#### 9.3.17. Cash-Out

The "Cash-out" function allows bets to be settled before its outcome is known.

Events available for "Cash-out" are tagged by a specific label.

The amount available to "Cash-out" is decided by ESTORIL SOL DIGITAL and displayed in the dedicated section.

The amount available for a "Cash-out" varies according to the evolution of the odds.

The "Cash-out" function is available in Prematch and Live, on Single or Combi bets.

Whenever a "Cash-out" is activated on a qualifying bet for any given promotional offer (Freebets, Cashbacks, etc.), the promotion will be automatically canceled.

Bets placed with Freebets will not be available for "Cash-out".

A bet that is cashed out will not be considered for any Bonus Playthrough.

The decision to cash out a bet is irrevocable. Bets that were already cashed out cannot be cancelled.

ESTORIL SOL DIGITAL reserves the right to deactivate / suspend the "Cash-out" function without prior justification or warning.

ESTORIL SOL DIGITAL reserves the right to refuse / cancel a "Cash-out" request if:

- a) The odds have changed;
- b) The "Cash-out" has been offered incorrectly;
- c) The outcome of a bet is already known when the player initiates the "Cash-out";

d) A player abuses the function.

ESTORIL SOL DIGITAL does not guarantee the availability of the "Cash-out" continuously. Even if the "Cash-out" had been previously announced as being available for any given event or bet at a given time and doesn't become available again before the end of the event or events, the bet will be settled according to the official results.

ESTORIL SOL DIGITAL won't take responsibility if the "Cash-out" feature is unavailable for technical reasons, and if such unavailability takes place, all bets will remain open and will be settled according to the official results.

If the "Cash-out" request is successful, this information will be displayed, and the bet will be settled immediately. The final result of the event(s) will have no impact on your "Cash-out" amount.
